| Name: | Curtis Roberts |
| A.K.A.: | Curt |
| D.O.B.: | 22/06/1982 |
| Squad No.: | 10 |
| Position: | DLRC / MC / FC |
| Occupation: | Manager, Dwr Cymru |
| Hobbies: | Whatever Rhian wants to do |
| Bio: | <p>If there was anyone you could point to as an ever-present at the club (apart from a short stint at Hendy, but we'll forgive him for that) then Curt fits the bill. Has been a key player at the club for 20 years, covering every position on the field at some point. Technically proficient, has football intelligence with a bite. Curt is a valued committee member and now also coaches the juniors where his son Steffan follows in his dad's footsteps - you'll rarely see Curt without Steff at his side in full kit and a size 3 ball under his arm!</p> <p>Club Captain, Curt has also had a stint as Caretaker-Manager and - while he is still capable of tying his laces - you're guaranteed Curt will turnout for the club. Don't rule out a father-son combo up front in 7 years or so!</p> |
| What he never wants to hear: | "You're in the Reserves this week Curt". |
