<b>Bio:</b>	<p>Lew joined the club in 2013 and has worked his way into a regular first team selection. He has sometimes been a victim of his own versatility but during the 17/18 season settled in at centre back and formed a solid and consistent partnership with Mike O'Mara.</p> <p>Despite this, he can still slot in comfortably at full back, central midfield and centre forward if needed and he continues to be a valuable asset to the squad. Played a pivotal role in coming off the bench and scoring in an epic cup encounter with Llandovery at the Llan Siro in 2017. Lew instigated the fight back, eventually winning the game on penalties after a 6-6 draw AET!</p> <p>He sometimes rocks a blue-rinse. ... Lewis is single. Coincidence?</p>
